## FALL 2025 CLIENT EVENTS CALENDAR

---

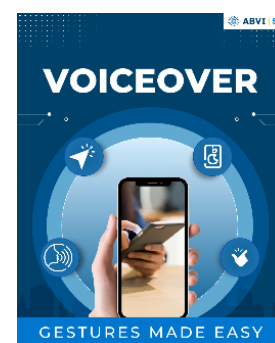

**Low Vision Clinic:** ABVI is offering exclusive clinic appointments for individuals with both low vision and orientation and mobility needs. This is a unique opportunity to meet with two specialized vision professionals in one personalized session. Appointments are individual and space is limited, so early registration is encouraged. To participate, individuals must complete intake paperwork and a brief phone screening to identify areas of need. **Midlands:** August 26<sup>th</sup> @ 8am – 4pm

**Aiken:** September 9<sup>th</sup> @ 8am – 4pm | **Upstate:** October 16<sup>th</sup> @ 8am – 4pm

**VoiceOver Gestures Made Easy:** Curious about using your iPhone or iPad with VoiceOver but not sure where to begin? This beginner-friendly webinar walks you through the most important gestures, such as navigating, selecting, and activating items on your iOS devices. Whether you're new to VoiceOver or want to strengthen your skills, this interactive training will help you learn at your own pace.

**Webinar: August 28<sup>th</sup> @ 10am**

**Meta Glasses Adventures:** Ever wonder what smart glasses can do? Come try the Meta Ray-Ban Glasses in real-world places like shops and sidewalks to see how they can read signs aloud, describe your surroundings, connect you to live help, and more. Each event is relaxed, hands-on, and open to all. No prior experience needed. Bring a friend! Events held from **12pm - 1pm**. **Midlands:** September 11<sup>th</sup> | **Lowcountry:** September 16<sup>th</sup> | **Pee Dee:** September 18<sup>th</sup> | **Upstate:** September 23<sup>rd</sup>

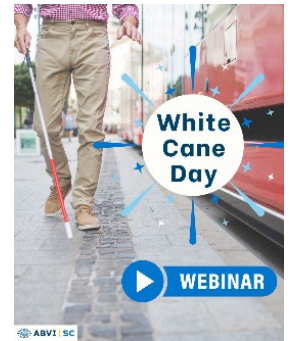

**Non-24 Virtual Info Session:** Having trouble with sleeping or feeling off-schedule? This session explains how the sleep disorder, Non-24, affects people with vision loss and why it's often misunderstood. We will break it down simply, discuss symptoms, and share ways to start a conversation with your doctor. **Webinar: September 25<sup>th</sup> @ 11am**

👉 **Register @ [info@abvisc.org](mailto:info@abvisc.org) or 843-723-6915.** Events are open to all ABVI clients who are blind or low vision. Participation links and details will be emailed after registration.

**White Cane Day Webinar Presentation:** Join us for a warm, engaging celebration of the white cane – a powerful symbol of independence. Whether you use a cane now or are just curious to learn more, this event offers a look at how the white cane has evolved and what it means to people across generations. We'll share personal stories, cultural connections, and fun facts. All are welcome.

**Webinar: October 15<sup>th</sup> @ 11am**

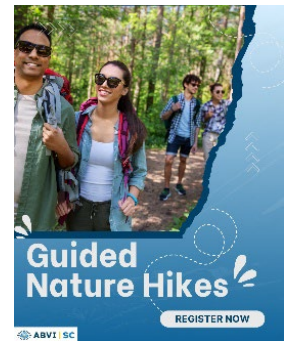

**Guided Nature Hikes:** Join us for peaceful guided hikes in beautiful outdoor spots that are accessible to all experience levels. We'll learn outdoor sensory skills, cane techniques for safer hiking, and try out fun free apps for orienteering and bird calls. No experience needed. Bring comfy shoes, a friend, or family member if you like! Join us **11am – 12:30pm**.
