

Fall 2026 CLIENT EVENTS CALENDAR

AUGUST

Webinar: Unlock the Power of VoiceOver & TalkBack

Whether you use Apple or Android, your mobile device comes equipped with powerful built-in screen readers. This webinar delivers a clear, high-level breakdown of how these essential accessibility tools actually work in the real world. You will walk away with practical insights and free resources to continue mastering them at your own pace.

Webinar: August 20th at 11am

SEPTEMBER

Make Your Voice Assistant Work For You: Shortcuts for Siri & Google Assistant

Get the absolute most out of Siri or Google Assistant with this easy, step-by-step breakdown. We will start with the basic setup, then show you how to create a few simple voice shortcuts to automate your everyday routines. You'll walk away with a phone ready to handle texting, emailing, and app navigation using just a few natural speech commands.

In-person Events @ 11am: Midlands Sept. 8th | PeeDee Sept. 10th | Upstate Sept. 22nd | Lowcountry Sept. 24th.

Webinar: September 17th @ 11am.

OCTOBER

Gear & Gadgets - Vision Efficiency Lab

This hands-on showcase explores a range of lighting, magnification, and contrast tools to maximize functional vision and reduce eye strain. You will have the opportunity to test out a curated selection of gear and gadgets to discover what is possible and explore which setup best supports your independence in both home and work.

In-person Events @ 11am. PeeDee Oct. 8th | Midlands Oct. 13th | Lowcountry Oct. 22nd | Upstate Oct. 27th.

ABVI 2026 CLIENT EVENTS CALENDAR

Webinar: White Cane Day

This White Cane Day webinar will recognize the importance of the white cane as a tool for independence, safety, and confidence, while highlighting orientation and mobility awareness.

Webinar: October 15th at 11am.

NOVEMBER

Webinar: Cooking Made Easier: Adaptive Tools & Techniques

If you've ever felt unsure in the kitchen, or just want to make cooking simpler, this session is full of game-changing ideas you can start using immediately. We'll walk through smart ways to organize your kitchen, so everything has a place, adaptive tools that make cooking safer and easier, and non-visual techniques for handling heat, measuring ingredients, and following recipes. You'll discover simple methods for preparing satisfying meals, plus practical holiday cooking tips that reduce stress, simplify seasonal meal prep, and make cooking more enjoyable.

Webinar: November 19th at 11am.

Virtual Media Club (ongoing)

In this client-led group, clients are invited to share movies, podcasts, or books they have recently enjoyed. Let us know if you need help with the talking books application through the state library. This **one-hour** client connection is held via conference call at **11am** on the **2nd and 4th Thursday of each month.**

👉 **Register @ info@abvisc.org or 843-723-6915.** Events are open to all ABVI clients who are blind or low vision. Participation links and details will be emailed after registration.
