
2026 FALL SELECT EVENTS CALENDAR

Meta Mania with Meta Glasses

Teens who are blind or low vision and their Teachers of Students with Visual Impairments (TVIs) are invited to participate in this interactive online session introducing Meta Glasses and their accessibility features. Participants will learn how Meta Glasses can support greater independence by reading text, describing surroundings, identifying objects, and connecting with the Be My Eyes platform. Through demonstrations and discussion, teens will explore practical ways this technology can be used at school, at home, and in the community.

Webinar: September 1st from 6:30pm to 7:30pm

White Cane Awareness Day Celebration

Join teens from across the state for a live online celebration of White Cane Awareness Day. This interactive session will recognize the importance of the white cane as a tool for independence, confidence, and self-advocacy. Participants will have opportunities to learn about the history and significance of White Cane Awareness Day, share experiences, and engage in discussions that promote awareness and pride within the blind and low vision community. Put your white cane knowledge to the test with a fun game of Jeopardy!

Webinar: October 6th from 6:30pm to 7:30pm

 **Register** via the: [SELECT Fall 2026 Events Registration Form – Fill out form.](#)

Participation links and details will be emailed after registration.

2026 FALL SELECT EVENTS CALENDAR

Video Game Accessibility: Unlocking Accessible Adventures!

Designed for teens who are blind or low vision, this online session explores the exciting world of accessible gaming. Participants will learn about accessibility features, adaptive equipment, and game settings that can make gaming more inclusive and enjoyable. The webinar will highlight accessible options for Nintendo Switch, PlayStation 5, and virtual reality platforms, while showcasing recommended games and tools that help teens connect, compete, and have fun.

Webinar: November 3rd from 6:30pm to 7:30pm

SELECT Connects

Connect with other teens who are blind or low vision in a welcoming online environment designed for conversation, connection, and fun. Participants will discuss topics such as school experiences, technology, hobbies, and current interests while engaging in interactive activities and trivia. This session provides an opportunity for teens to build friendships, share ideas, and learn from peers facing similar experiences. Participation is open to registered ABVI clients.

Webinar: December 1st from 6:30pm to 7:30pm
